Dear Sisters and Brothers of the Wright State-AAUP Chapter,

On behalf of the nearly 10,000 Registered Nurses of the Ohio Nurses Association (ONA), we stand in solidarity in your fight to achieve a fair contract.

It is truly unfortunate the Administration for the Wright State University refuses to agree to a fair contract that recognizes the hard work and success of your members.

We too share in your commitment to collective bargaining and also believe this is the best way to ensure that working families and students receive strong education.

If there is anything the Ohio Nurses Association can do to help support you in your fight to achieve a fair contract, please do not hesitate to contact us.

Sincerely,

A handwritten signature in black ink, appearing to read "Robert L. Cousins".
